

## SMOKE FREE POLICY

Altona City Soccer Club recognises that passive smoking is hazardous to health and those non-smoking club members and visitors have the right to be protected from exposure to tobacco smoke.

Accordingly, the following policy shall apply to all club facilities, functions, meetings and activities undertaken by the club and will apply to all members, officials, players and club visitors.

The Club also must comply with Victorian State Government Legislation and must be in compliance with the ban on smoking during organised underage sporting events. Smoking is banned within 10 metres of a sporting venue and includes training or practice sessions or organised underage sporting events as well as breaks or intervals during the course of the event, training or practice session.
