CLUB ANNOUNCEMENT

Andy O'Dell will step down as the Senior Men's Coach at the conclusion of the 2019 season.

After three and a half successful years as the Senior Men's Coach at ACSC, Andy decided it was the right time to move.

The club has been very successful throughout Andy's senior coaching tenure. He saw ACSC promoted to Division 1 by winning the Victorian State League North/West Division 2 in 2017. We also won the 2017 Victorian State League 2 Champions Final against the winners of the South/East division.

With just two home games remaining in 2019, we invite our community to not only come along to watch our final senior men's games but to acknowledge Andy's contribution and dedication to our club.

The ACSC committee and our entire sporting community thank Andy for his valuable contribution to our club and we wish him every success in the future.

We are the people.

Yours sincerely,

Charlie Gerada

ACSC President
